World Scientific Publishing Co. is a leading international scientific publisher based in Asia. The company has published many works by world-renowned scientists. In 1991, it was awarded the exclusive rights to publish, in English, a series of Nobel Lectures in various subject areas: Physics, Chemistry, Physiology/Medicine, Economics, Literature and Peace. World Scientific is also a publisher of many important scientific, technical and medical journals.

ADVERTISEMENTS

First & Only in the Region! Worldwide Circulation!

Asia-Pacific Biotech News is an excellent means of exposure for your products and services, recruitments, new courses and conferences/workshops.

Your advertisements will:
• be featured in both the English and Chinese printed versions
• receive Internet exposure
• reach the hands of scientists, researchers, doctors, businessmen and bankers.

For more information, please contact:
Ms. Sarah Ng
Editorial Department
