### Editorial

**Introduction: Bioinformatics in Asia Pacific** Yi-Ping Phoebe Chen 80

### Bioinformatics Research, Teaching and Service

**Bioinformatics Research in Australia**, Yi-Ping Phoebe Chen and Geoff McLachlan 82

**The Status of Formalized Bioinformatics Education in Australia**, Michael Poidinger and Sonia Cattley 86

**Bioinformatics in Singapore**, Limsoon Wong 88

**Bioinformatics Service, Research and Education at CBI**, Jingchu Luo 93

### Bioinformatics Industry

**Bioinformatics Industry in Australia**, Tim Littlejohn 96

**Bioinformatics and Oracle Extensibility**, Bruce Blackwell 98

**Bowling Ball: ‘Bioinformatics’ Hits Ninepins of Asia Pacific**, K. Balaji 102

### Multiple Sequence Alignment, Molecular Surface and Protein Structure

**Inferring an Original Sequence from Erroneous Copies: Two Approaches**, Jonathan M. Keith, Peter Adams, Darryn Bryant, Keith R. Michelson, Duncan A. E. Cochran, Gita H. Lala 107

**The Protein Surface Properties Calculator**, Dan V. Nicolau Jr., Florin Fulga, Dan V. Nicolau Sr. 116

**General Framework for Two-Stage Approaches to Protein Secondary Structure Prediction**, Jagath C. Rajapakse and Minh Ngoc Nguyen 122
