INC Research Signs Joint Venture with GVK Biosciences

INC Research, a therapeutically focused contract research organization with a trusted process for delivering reliable results, and GVK Biosciences has announced that they have entered into a 50:50 equity stake joint venture to form INC GVK BIO Private Limited. This joint venture gives INC Research the capability to run full service, phase I-IV clinical trials in India utilizing clinical research resources at GVK that are fully dedicated to INC GVK Bio India projects.

"The joint venture provides an opportunity for GVK BIO to gain access to INC Research's global reach while leveraging on its India-based Clinical Research capabilities," commented G V Sanjay Reddy, chief executive officer, GVK BIO.
